

Hope's 2018 Reading Plan will give you a better understanding of the order of biblical events and the historical context in which they occurred. Our Reading Plan this year will arrange the entire Bible text - books, chapters and even verses - in the order the events actually took place. The prophetic books are interwoven with the historical accounts they accompanied. Psalms follow the events about which they were written. Proverbs are placed in the time frame in which they were compiled. The life of Jesus is woven into one moving story. Paul's letters to the first century church are integrated into the book of Acts.
